# Welcome to the International Case Report Congress

Dear esteemed colleagues and friends,

We are delighted to extend our heartfelt invitation to you for the Second International Case Report Congress, scheduled to take place from April 5th to 7th, 2024, at Hotel Holiday Inn Skopje. Organized by the Macedonian Medical Association, this congress marks the continuation of a successful initiative that began last year.

The congress will feature sessions covering a diverse array of medical fields, including Internal Medicine, Gynecology and Obstetrics, Surgery, Pediatrics, Radiology, Oncology/Pathology, and more. This unique platform aims to provide a comprehensive overview of case reports across various specialties, fostering collaboration, knowledge exchange, and advancements in medical practice.

Accredited by the Macedonian Medical Chamber and Macedonian Medical Association, this event seeks to bring together medical professionals, researchers, and experts from around the globe. Participants will have the opportunity to present and discuss compelling case reports, share valuable insights, and explore innovative approaches to patient care.

## Key highlights of the congress include:

- Multidisciplinary Sessions:** Explore case reports and advancements in Internal Medicine, Gynecology and Obstetrics, Surgery, Pediatrics, Radiology, Oncology/Pathology, and more.
- Accreditation:** The congress is accredited by the Macedonian Medical Chamber and Macedonian Medical Association, ensuring the highest standards of professional development.
- Networking Opportunities:** Forge new professional connections and friendships, fostering collaboration and knowledge-sharing among participants.
- International Participation:** Join renowned medical professionals and experts from around the world to contribute to the global dialogue on medical case reports.
- Innovation in Healthcare:** Discover and discuss innovative approaches, techniques, and therapies that can be integrated into everyday medical practice.

We trust that your active participation in this congress, alongside esteemed colleagues and international experts, will contribute significantly to its success. Together, let us continue the tradition of advancing medical knowledge and enhancing patient care.

Sincerely,  
Prof Dr Goran Dimitrov  
President  
Macedonian Medical Association
